

# ENVIRONMENTAL BORDER TOUR

An Experience in Community Environmental Justice

WHAT  
IS IT?

- **Book a guided tour** through East Tijuana, where you'll gain firsthand, in-depth knowledge of the realities faced by communities impacted by industrial pollution and the lack of urban infrastructure that fails to meet their needs.
- **The tour includes** educational materials and conversations with activists and community organizers fighting for the right to a healthy environment.

WHO IS  
IT FOR?

- Ideal for schools, universities, collectives, human rights, environmental and labor organizations, faith-based groups, academics, media representatives, and anyone interested in migration, environmental issues, and labor rights along the U.S.-Mexico border.

HOW DOES  
IT WORK?

- **Group size: Minimum 10 people | Maximum 40 people**
- **TOUR OPTIONS**
  - **SHORT TOUR** – \$30 USD per person | 3 hours | Includes transportation | English-Spanish interpretation (if needed)
  - **FULL TOUR** – \$40 USD per person | 5 hours | Includes transportation | English-Spanish interpretation (if needed) | Traditional Mexican meal prepared by the community | Community dialogue with local organizers

WHY TAKE  
THIS TOUR?

- Learn firsthand about grassroots struggles for environmental justice.
- Build social and ecological awareness.
- Support women-led organizing and environmental defense.
- Engage in a transformative experience rooted in human rights.

## THE WALL

- **Border Fence**
  - Topic: Migration and the Working Class

## THE MANUFACTURING ZONE

- **Metales y Derivados** (Otay Industrial Park)
  - Topic: Toxic contamination and community-led remediation efforts

## THE RIVER

- **Channeled Alamar Stream Crossing**
  - Topic: Health risks and lack of safe public access
- **Natural Alamar Stream**
  - Topic: Pollution of one of Tijuana's last natural green spaces and its social and ecological importance

## THE COMMUNITY

- **Air and the Community**
  - Topic: Air pollution and its effects on children's health near a local kindergarten; community air quality monitoring
- **Lunch and Dialogue**
  - Topic: Collective reflection with local leaders and residents
